

48. Clean-Up Facilities on Location

With respect to employees who are required by Producer to travel on public transportation on a work-and-travel day, upon completion of work on the day of departure from a location, the Producer shall make available two (2) rooms where members of the crew who performed manual work may change and wash up, unless rooms are not available as a result of circumstances beyond the Producer's control.

With respect to employees who are required by Producer to travel on public transportation on a work-and-travel day, upon completion of work at the studio on the day of departure, an adequate opportunity shall be afforded members of the crew who performed manual work to change and wash up.

If such opportunity and facilities are not so made available to such employee as required above, each such employee shall be paid, in addition to other compensation, an allowance at straight time for the length of the return travel time.
