

### **93. Assignment to Tenant**

If Producer assigns an employee to work for a tenant, the employee will remain on Producer's payroll and continue as Producer's employee except that tenant will be responsible for all breaches of the collective

bargaining agreement. If employee is permanently transferred, he will also be transferred to tenant's payroll and tenant will be employer for all purposes. Such a transfer cannot be made unless employee is advised he is being terminated by Producer. The employee cannot be required to accept such assignment.
