Re: Made-For-Home Video Productions

Dear Matt:

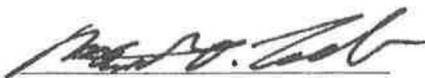

This will memorialize the agreement reached in the 2012 negotiations that a Producer may elect, on a production-by-production basis, to use the terms of either the Long-Form Television Sideletter or the Theatrical Low Budget Agreement for employees employed under the Basic Agreement on made-for-home video productions; provided, however, a Producer electing the Theatrical Low Budget Agreement: (1) shall not be entitled to use the Ultra Low Budget provisions thereof, and, instead, Tier One shall apply to all made-for-home video productions budgeted at \$5 million or under; and (2) shall pay the applicable Production Cities rates to employees represented by Locals 600, 700 and 800, even if those employees are employed outside the Production Cities.

Sincerely,

Carol A. Lombardini

ACCEPTED AND AGREED:

International President
