SUBJECT: ROCKS

When a set is to be assembled from stock rocks, they shall be placed and fastened by members of Local 80. Any new construction, repair, or fitting which requires cutting or additions, shall be done by Local 44. At the time of shooting Local 80 shall rearrange any rocks used in forming the set. The set to be those rocks which form the actual walls of the set. All other rocks shall be considered set dressing and shall come under the jurisdiction of Local 44. Use of and not size shall determine whether the rocks form the set or are a dressing.
