Re: Productions Made for New Media

Dear Matt:

This Sideletter to the Producer - IATSE Basic Agreement of 2021¹ confirms the understanding of the International Alliance of Theatrical Stage Employees (hereinafter "the IATSE"), on behalf of itself and its West Coast Studio Local Unions, on the one hand, and the Alliance of Motion Picture and Television Producers, on behalf of the Producers it represented in the negotiations for a successor agreement to the 2018 Producer - IATSE Basic Agreement (hereinafter collectively "the parties"), concerning the terms and conditions applicable to the production of entertainment motion pictures of the type that have traditionally been covered under the Producer - IATSE Basic Agreement (hereinafter "the Basic Agreement")² that are made for the Internet, mobile devices, or any other new media platform in existence as of August 1, 2009 (hereinafter collectively referred to as "New Media").³ With respect to such productions intended for initial use in new media, the parties agree as follows:

¹ For convenience only, and without intending to change the meaning or effect of or alter the interpretation of this Sideletter to the Basic Agreement, the parties agree to reprint this Sideletter in the West Coast Studio Local Agreements.

² Such entertainment motion pictures do not include non-dramatic programs and non-prime time dramatic programs which are instead covered under the Producer - I.A.T.S.E. Videotape Electronics Supplemental Basic Agreement (hereinafter "the Videotape Agreement").

³ This Sideletter applies to the production of certain types of programs intended primarily for use in New Media and does not cover work involved in the selection of content for, design or management of any website or any other New Media platform on which productions made for New Media appear.

A. Recognition

The Producer recognizes the IATSE as the exclusive bargaining representative of employees employed in the job classifications covered by the West Coast Studio Local Agreements (hereinafter “the West Coast Studio Local Agreements”) within the geographic scope of the applicable West Coast Studio Local Agreement on entertainment motion pictures of the type traditionally covered under the Basic Agreement, other than those covered under the Videotape Agreement, which are intended for initial exhibition in New Media, but excluding news, sports, documentaries and “Experimental New Media Productions,” as that term is defined below.

B. Coverage

Coverage shall be at the Producer’s option with respect to “Experimental New Media Productions.” Should the Producer elect to cover an Experimental New Media Production, the terms and conditions applicable to employment on Original New Media Productions, as set forth in Paragraph D.(1) below, shall apply.

An “Experimental New Media Production” is defined as any Original New Media Production: (1) for which the actual cost of production does not exceed: (a) \$15,000 per minute of program material as exhibited, and (b) \$300,000 per single production as exhibited, and (c) \$500,000 per series of programs produced for a single order; and (2) on which fewer than four (4) employees as hereinafter described are working in job classifications covered by, and within the geographic scope of, an industry-wide agreement between Employers and the IATSE, or a Local thereof, which agreement covers television productions as well as productions made for new media. With respect to any employee working within the geographic scope of the Basic or Videotape Agreement, such employees shall include any person listed on the Industry Experience Roster established by the Basic Agreement, or in the case of employees working in classifications with no Roster, any person who has thirty (30) or more days of work experience within the last three (3) years, either alone or in combination, under the West Coast Studio Local Agreement covering that classification, the Videotape Agreement, or on New Media productions covered under this Sideletter or the corresponding Sideletter in the Videotape Agreement.⁴ With respect to any employee working in the respective classifications and geographic scope of any other industry-wide Agreement described in the first sentence of this paragraph, such employees shall include any person who has thirty (30) or more days of work experience within the last three (3) years under any such Agreement and/or on New Media productions covered under any such Agreement.⁵ Notwithstanding the preceding two sentences, in determining whether fewer

⁴⁵ The Producer shall be entitled to rely on the representation of the employee as to whether he or she meets the "thirty (30) or more days of work experience within the last three (3) years " requirement.

than four (4) such employees are employed on the production, the following employees shall not be counted: employees not specifically charged to the production or who are included in general overhead; script coordinators and writers' room assistants; projectionists and in-house publicists (but not unit publicists); and employees engaged in post-production or distribution functions, including, but not limited to, editing and looping, regardless of where or when those functions are performed, but excluding the editor, provided that such editor is working in conjunction with the shooting company.

The actual cost of the Experimental New Media Production shall consist of all direct costs actually incurred in connection with the Production. The only costs excluded in determining the actual cost of production shall be development costs, overhead charges, financing costs (*i.e.*, loan origination fees, gap fees, legal fees and interest), contingency of up to ten percent (10%), essential elements insurance costs, the cost of the completion bond, marketing expenses, contingent payments to talent or other parties which are based on the proceeds derived from the exploitation of the Production and received after recoupment of the negative cost, and delivery items required by sales agents, distributors or sub-distributors (*i.e.*, delivery materials beyond the answer print, NTSC Video Master if the Production is delivered on videotape, or the digital equivalent if the Production is delivered in a digital format).

If the Producer began production of an "Experimental New Media Production" which the Producer elected not to cover under the terms of this Sideletter, but subsequently employs four (4) or more employees on the production in job classifications covered by, and within the geographic scope of, an industry-wide collective bargaining agreement which meets the description in the first sentence of the second paragraph of this Paragraph B., and such employees meet the description in either the second or third sentence of the second paragraph of this Paragraph B., and are not excluded pursuant to the fourth sentence of said paragraph, then said production shall automatically be deemed covered hereunder, starting from the first day on which at least four (4) or more such employees are so employed on the production and continuing until the production is finished.

Producer shall use reasonable efforts to notify the IATSE that it intends to cover an "Experimental New Media Production" by the start of principal photography.

C. Terms and Conditions of Employment on Derivative New Media Productions (Other than a Derivative High Budget New Media Production Made Primarily for Exhibition on a Subscription Video-On-Demand Consumer Pay Platform ("High Budget SVOD Program"))

A "Derivative New Media Production" is a production made for New Media based on an existing television motion picture covered by the Basic Agreement, other than a non-dramatic or non-prime time dramatic program covered under the Videotape Agreement, that was produced for "traditional" media - *e.g.*, a free television, basic cable or pay television motion picture ("the source production") - and is otherwise included among the types of motion pictures traditionally

covered by the Basic Agreement, but is not a non-dramatic program or non-prime time dramatic program covered under the Videotape Agreement.

Employees may be employed by a Producer and assigned to a Derivative New Media Production as part of their regular workday on the source production. The work for the Derivative Production shall be considered part of the workday for the employees on the source production and shall trigger overtime if work on the Derivative Production extends the workday on the source production past the point at which overtime would normally be triggered on the source production.

All other terms and conditions, including benefits, shall continue as if the employee were continuing to work on the source production.

In all other situations, terms and conditions of employment for a Derivative New Media Production (other than a derivative High Budget SVOD Program, the terms and conditions of employment for which are provided in Paragraph G.) are freely negotiable between the employee and the Producer, except for those provisions identified in Paragraph E. below which shall be automatically applicable to employees.

D. Terms and Conditions of Employment on Original New Media Productions (Other than an Original “High Budget SVOD Program”)

(1) Terms and conditions of employment on Original New Media Productions (other than a “Low Budget SVOD Program” as defined in Paragraph D.(2)(b) below, a “Mid-Budget SVOD Program” as defined in Paragraph D.(3) below and other than an Original “High Budget SVOD Program” as defined in Paragraph G.(2) below) are freely negotiable between the employee and the Producer, except for those provisions identified in Paragraph E. below which shall be automatically applicable to employees.

(2) **Low Budget SVOD Programs**

(a) The terms and conditions set forth in this Paragraph D.(2) shall be applicable prospectively only. They shall not apply to “Legacy” Low Budget SVOD program or series, which are defined as:

(i) any program or series that would otherwise qualify as a “Low Budget SVOD Program” within the meaning of this Sideletter, for which the principal photography of the program, in the case of a one-time program, or the principal photography of the first episode, in the case of a series, commenced prior to August 1, 2022; or

(ii) any program or series that would otherwise qualify as a “Low Budget SVOD Program” within the meaning of this Sideletter, for which the principal photography of the program or the first episode of the series commenced after August 1, 2022, if

such program or series were produced pursuant to the terms of a bona fide license agreement with fixed and definite terms entered into by the Producer prior to August 1, 2022.

However, if such license agreement is entered into subject to conditions precedent, then all such conditions must be satisfied prior to August 1, 2022.

Any “Legacy” Low Budget SVOD program or series described in subparagraphs (i) or (ii) above shall be subject to Paragraph D.(1) of this Sideletter. However, with respect to any such program or series described in subparagraphs (i) or (ii) above, if the licensee orders additional programs or episodes pursuant to the terms of the license agreement after August 1, 2022 and the Producer has the right to negotiate with respect to the material terms and conditions of the license for the additional programs or episodes, then such additional programs or episodes shall be subject to this Paragraph D.(2).⁶

Notwithstanding the foregoing, the Producer shall not reduce the terms and conditions of employment previously provided to IATSE-represented employees on programs or series covered by subparagraphs (i) or (ii) above.

(b) Low Budget SVOD Programs Defined

The terms and conditions set forth in Paragraph D.(2)(c) of this Sideletter shall be applicable only to covered original, live action dramatic new media productions (other than an “Experimental New Media Production”) made for initial exhibition on a subscription video-on-demand consumer pay platform which meet the following criteria (hereinafter “**Low Budget SVOD Programs**”):

66 Minutes or more	Less than \$2,100,000

⁶ In the event that Producer asserts that a program or series is a “Legacy” program under the provisions of the second paragraph of Paragraph D.(2)(a) above, a limited number of representatives of the IATSE, subject to the execution of a confidentiality agreement satisfactory in form to Producer, may inspect those portions of the license agreement that are relevant to determine whether the Producer had the right to renegotiate with respect to the material terms and conditions of the license for the additional programs or episodes. All information received or reviewed by representatives of the IATSE shall be kept confidential, and neither the IATSE nor its representatives shall disclose any such information, except as necessary to enforce its rights under this Agreement.

* Original, live action dramatic new media productions which are less than 20 minutes in length and made for initial exhibition on a subscription video-on-demand consumer pay platform are not subject to this Paragraph D.(2) and, instead, are subject to Paragraph D.(1) of this Sideletter, regardless of their budgets.

(c) **Terms and Conditions**

The terms and conditions applicable to a Low Budget SVOD Program shall be as provided in the Sideletter re Special Conditions for Long-Form Television Motion Pictures (Including Movies-of-the-Week, Mini-Series and Two (2) Hour Pilots for Which No Commitment for a Series Exists at the Time of the Pilot Order) (hereinafter the “Long-Form Sideletter”), regardless of where such Low Budget SVOD Program is produced, except that:

(i) Employees employed on a Low Budget SVOD Program, other than post-production employees, shall be paid at the wage rates set forth in the “Made for Television Long-Form Agreement Rate Schedules” for the period two periods prior to the period in question (e.g., during the period July 31, 2022 to July 29, 2023, the wage rates for the period August 2, 2020 to July 31, 2021 shall apply);

(iii) In lieu of Paragraph 4 of the Long-Form Sideletter, Paragraph E.(3) of this Sideletter shall apply;

(iv) In lieu of Paragraph 5 .(ii) of the Long-Form Sideletter, Paragraph E.(5) of this Sideletter shall apply; and

(v) Paragraph 5.(viii) of the Long-Form Sideletter shall not apply.

(3) **Mid-Budget SVOD Programs**

(a) The terms and conditions set forth in this Paragraph D.(3) shall not apply to any program or series that continues in production on or after November 21, 2021 and which qualified as a “Legacy”⁷ Mid-Budget SVOD Program or series, and continues to qualify as a

In addition, the terms and conditions set forth in this Paragraph D.(3) shall not apply to a Mid-Budget SVOD Program or episodes of a Mid-Budget SVOD series, the principal photography of which commences on or after November 21, 2021 pursuant to a license agreement entered into prior to November 21, 2021.⁸ Paragraph D.(2) of the Sideletter re Productions Made for New Media to the 2018 Basic Agreement shall apply instead, except that minimum wage and fringe rates shall be subject to the increases negotiated during the 2021 negotiations.

In the event that Producer asserts that a Mid-Budget SVOD Program qualifies as a “Legacy” Mid-Budget SVOD Program under the provisions of the second paragraph of Paragraph D.(3)(a) above, a limited number of representatives of the IATSE, subject to the execution of a confidentiality agreement satisfactory in form to Producer, may inspect those portions of the license agreement that are relevant to determine whether the Producer had the right to renegotiate with respect to the material terms and conditions of the license for the additional programs or episodes. All information received or reviewed by representatives of the IATSE shall be kept confidential, and neither the IATSE nor its representatives shall disclose any such information, except as necessary to enforce its rights under this Agreement.

* Original, live action dramatic new media productions which are less than 20 minutes in length and made for initial exhibition on a subscription video-on-demand consumer pay platform are not subject to this Paragraph D.(3), and, instead, are subject to Paragraph D.(1) of this Sideletter, regardless of their budgets.

(c) **Terms and Conditions**

The terms and conditions applicable to a Mid-Budget SVOD Program shall be as provided in the Long-Form Sideletter, regardless of where such Mid-Budget SVOD Program is produced, except that:

(i) Employees employed on a Mid-Budget SVOD Program, other than post-production employees, shall be paid at the wage rates set forth in the “Made for Television Long-Form Agreement Rate Schedules” for the period prior to the period in question (e.g., during the period August 1, 2021 to July 30, 2022, the wage rates for the period August 2, 2020 to July 31, 2021 shall apply). E. Other Provisions for New Media Productions (Other than a “High Budget SVOD Program”)

(1) Union Security

The provisions of Article II, “Union Security,” of the Basic Agreement shall apply to New Media Productions, except that the requirement to become a member in good standing of the Union shall not apply until an individual has been employed for at least thirty (30) workdays on New Media Productions covered under this Sideletter, or for a combined total of thirty (30) workdays on New Media Productions covered under this Sideletter and on motion pictures of the type traditionally covered under the Basic Agreement.

The Union acknowledges and agrees that the obligations set forth in subparagraph (c) of Article II apply only to newly-hired employees who are not members of the IATSE or the applicable Local Union hereunder.

(2) Pension, Health and Individual Account Plans

On covered New Media Productions budgeted at \$25,000 or less per minute (using the same cost elements as described in the third paragraph of Paragraph B. above), Producer’s only obligation hereunder shall be to make contributions to the Active Health Fund, as required by Article XII of the Basic Agreement, and to the Retired Employees Fund, as required by Article XIV of the Basic Agreement, on behalf of each employee employed under the terms of this Sideletter.

On New Media Productions budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above), or when employees are assigned by the Producer to a Derivative New Media Production as part of their regular workday on the source production, Producer shall be obligated to make pension, health and Individual Account Plan contributions in accordance with the provisions of Articles XII, XIII, XIII.A. and XIV of the Basic Agreement.

(3) Preference of Employment/Industry Experience Roster

There shall be no preference of employment of any kind or nature in the employment of employees on New Media Productions hereunder. The provisions of the Basic Agreement relating to Preference of Employment shall not be applicable to New Media Productions, except to the extent provided below. An employee need not be on the Industry Experience Roster in order to be employed on a New Media Production.

Work under this Agreement on a covered New Media Production twenty (20) minutes or more in length in a job classification covered by and within the geographic scope of a West Coast Studio Local Agreement for which the same work, if performed in connection with a

theatrical or television motion picture, would qualify for placement on the Local's Industry Experience Roster, shall be counted for purposes of placement on such Industry Experience Roster, subject to the eligibility requirements set forth in the applicable Local Agreement. If an individual has worked under this Agreement in more than one classification on a single covered New Media Production, the Producer of such covered New Media Production shall identify the employee's primary skill for purposes of determining the classification to which such person's workdays shall be credited for purposes of placement on the Industry Experience Roster.

(4) Grievance and Arbitration

Any dispute with regard to wages, hours of employment or working conditions concerning an employee employed by Producer under the terms of this Sideletter shall be resolved in accordance with the grievance and arbitration procedure set forth in Article XXXII of the Basic Agreement, except that references therein to "the Local Union" shall be replaced with "the IATSE" and the provisions with respect to the Step Two Conciliation Committee shall be deleted.

(5) Staffing

It is expressly understood and agreed that there shall be no staffing requirements on productions made for New Media and that there will be full interchange of job functions among employees, so that a single employee may be required to perform the functions of multiple job classifications covered hereunder.

(6) No Strike, No Lockout

During the term of this Agreement, the Union agrees not to engage in any strike, sympathy strike or work stoppage against the Producer. The Producer agrees not to engage in any lockout of its employees employed hereunder during the term of this Agreement.

(7) Sick Leave

The provisions of Articles XLVI ("Paid Sick Leave") and XLVII ("Waiver of New York City Earned Safe and Sick Time Act and Similar Laws") of the Basic Agreement shall apply to New Media Productions covered under this Sideletter.

(8) No Other Terms Applicable

Except as expressly provided in this Sideletter, no other terms and conditions shall be applicable to employees employed on New Media Productions.

F. Reuse of New Media Programs (Other than a “High Budget SVOD Program”)

Only those covered New Media Productions (other than High Budget SVOD Programs) on which two (2) or more “employees employed by the Producer under the Basic Agreement,” as that term is used in Article XIX(a) and in Article XXVIII(a)(2) of the Basic Agreement,⁹ shall generate residual payments and then only in accordance with the following:

(1) Reuse in New Media

(a) The Producer shall have the right to use an Original New Media Production budgeted at \$25,000 or less per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) on any new media platform without limitation as to time, and without payment of residuals.

(b) The Producer shall have the right to use an Original New Media Production budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) or a Derivative New Media Production without the payment of residuals under the following circumstances:

(i) When such New Media Production is used on any free-to-the-consumer, advertiser-supported platform; and

(ii) When such New Media Production is first released on a consumer pay platform (*i.e.*, download-to-rent, download-to-own or paid streaming), even if it is subsequently released on a free-to-the-consumer advertiser-supported platform.

(c) If an Original New Media Production budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) or a Derivative New Media Production is initially released on a free-to-the-consumer, advertiser-supported platform and is subsequently released on consumer pay platforms (*i.e.*, download-to-own, download to rent or paid streaming), then Producer shall have a twenty-six (26) consecutive week period of use on consumer pay platforms, commencing with the first day of use on consumer pay platforms, without the payment of residuals. If the Producer uses the New Media Production on consumer pay platforms beyond such twenty-six (26) consecutive week period, then Producer shall pay to the Motion Picture Industry Pension and/or Health Plans 5.4% of “Producer’s gross,” as that term is defined in Paragraph 3 of the “Sideletter re Exhibition of Motion Pictures Transmitted via New Media,” attributable to use on consumer pay platforms beyond the twenty-six (26) consecutive week period.

⁹ It is understood and agreed that any employee employed under the terms of the corresponding “Productions Made for New Media” Sideletter in either the Local #52 Agreement or in the Local #161 Agreement shall not be considered an “employee employed by Producer under the Basic Agreement” for purposes of Paragraph F. of this Sideletter.

(d) If an Original New Media Production budgeted at more than \$25,000 per minute (using the same cost elements as described in the third paragraph of Paragraph B. above) or a Derivative New Media Production is initially released simultaneously on free-to-the-consumer, advertiser-supported platforms and to consumer pay platforms (*i.e.*, download-to-own, download-to-rent or paid streaming), then Producer shall have a twenty-six (26) consecutive week period of use on consumer pay platforms, commencing with the first day of use on consumer pay platforms, without the payment of residuals. If the Producer uses the New Media Production on consumer pay platforms beyond such twenty-six (26) consecutive week period, then Producer shall pay to the Motion Picture Industry Pension and/or Health Plans 5.4% of the “Producer’s gross,” as that term is defined in Paragraph 3 of the “Sideletter re Exhibition of Motion Pictures Transmitted via New Media,” realized from any subsequent license which includes use on consumer pay platforms, which “gross” is attributable to use on consumer pay platforms beyond the twenty-six (26) consecutive week period, measured from the first day of use on consumer pay platforms under the first license.

(2) Reuse in Traditional Media

The applicable provisions of Article XXVIII with respect to exhibition on “pay television,” as that term is defined in Article XXVIII(a)(3)(ii) of the Basic Agreement, shall apply when a covered New Media Production is exhibited on pay television. The applicable provisions of Article XXVIII with respect to exhibition on “cassettes,” as that term is defined in Article XXVIII(a)(3)(i), shall apply when a covered New Media Production is exhibited on videocassettes or DVDs.

(3) General

It is understood that the tests for triggering Post ‘60s and Supplemental Markets payments set forth in Article XIX and XXVIII of the Basic Agreement, including the understandings set forth in subparagraph (g) of those Articles, and the proration provisions in those Articles, shall also apply to residual payments due under the terms of this Sideletter. Residual payments due under this Sideletter shall be prorated in the same manner as are Supplemental Market monies under Article XXVIII of the Basic Agreement.
